

# Assessment for Service Learning: *Part One*

*Service Learning Experience:* \_\_\_\_\_

Respond to the questions relevant to your service learning activities.

## *Student Learning*

- Were the defined content and skill objectives met?
- Were there any unforeseen outcomes?
- Did students show initiative or develop leadership skills?
- Were students able to reflect and place their experience within the larger context of community or society in general?
- Could students identify both their cognitive and affective growth?

## *Impact of the Service*

- Were students able to explicitly state the need and purpose for their service efforts?
- What contribution was made?
- How did the service help or hinder community improvement efforts?

- Is the partner agency satisfied with the interaction?
- Have new relationships been formed?
- Were planned service programs, activities, or products completed?

***Process***

- How did this experience affect or change how teachers teach and how children learn?
- How effective was the planning process?
- What are your ideas for overall improvement?
- In future activities, how can students take greater ownership?
- How can community partnerships be improved or strengthened?
